## **You Will Never Be Free**

You will never be free, because there is no you which is imprisoned. Freedom is all there is, one could say, yet, there is no one apart to be aware of it. In that sens, the apparent me seems to live in the hell of falling to become whole by simply being whole already, a fantastic game, which is totally illusory.

*The beauty of all there is,  
is raw and smooth.  
Undescribable in its  
naturalness,  
of an amazing simplicity.  
And just amazingly as it is.*
